**COMPETITIVENESS
REVIEW**

Our no cost one-day Competitiveness Review is the core of SCMEP's business improvement services and the first step in our strategic, hands-on approach to help improve your company's performance. Developed by SCMEP, the Competitiveness Review is a comprehensive, on-site, evaluation of your company's operations that both appraises capabilities and gauges the effectiveness of business systems.

Why schedule a Competitiveness Review for your company?

- There is no cost to you as a South Carolina manufacturer and it represents a \$4,000 value
- It reveals (or confirms) your limiting factors and provides a snapshot comparison to other companies
- The assessment delivers a road map to improve competitiveness, performance, and your bottom line
